

# Herefordshire and Worcestershire CCGs Corporate Objectives 2019/20

## Objective 1:

Commissioning of high quality, safe, effective & sustainable secondary health care and community services through the achievement of constitutional standards / local improvement targets and delivery of key outcomes across challenged specialties.

## Objective 2:

Developing a new model of care and delivery plan that supports sustainable primary care, delivery of the GP Forward View and the effective integration between primary, secondary, community and social care services consistent with integrated care principles and the Long Term Plan (LTP).

## Objective 3:

Sustaining Financial Recovery by the delivery of the financial recovery plan, facilitating long term financial sustainability
